MARCH EDITION

# MONTHLY BULL-etin

## Success at St. Pete's Firestone GP!

The race weekend in March was amazing! We had a booth setup right behind the grandstands of turn one right across from Andersen Racepark's. We talked with tons of people and made a bunch of contacts.

Wearing our team jerseys, it was like we were one of the race teams there! We brought our car, but unfortunately, we were not taking it on the track. It would be nice if we could take the car on the track next year but many more strings would have to be pulled than just the ones that got us there in the first place. The team was extremely grateful for this opportunity provided by the owner of Poly Pac, Olivier Cerf.

We were also given the opportunity to watch the race from a trackside apartment on the 19th floor! It was a pleasure spending time with one of our sponsors, Sean Scott.

## Success at the Festivals of Speed

F2017 is in the making! This photo below depicts evidence of our all new car taken to the Festivals of Speed on April 6th. It has come a long way and it still has a lot left to get done before our official unveiling date.

## Unveiling – Set to the 23rd of April

The official date is April 23rd! The galleria facility has been booked. There, the team will give a brief overview of design changes to the new F2017 car. We will also be free to take questions. Please take as many pictures as possible!

There will also be free food and beverages. Mark your calendars! Bring your cameras! Everyone is invited! More specific details about the event is listed on our invitation which was sent with this newsletter.

## It's Crunch Time!

The sleepless nights have begun! Make sure to encourage our team members to press on to the finish! We can do it!

USFRacing Alumni Drew Keller Decided to stop by and give us some pointers. It was nice seeing him again! (above middle)

## Check Out who Sponsored Us This Past Month!

Safety-Kleen has donated many cleaning products to our team such as Brake Clean, Glass Cleaner and Degreaser, Pig Mat, and more. They have also donated our parts washer in the past and refill it. They also dispose of our used oil barrel.

Thank you Safety-Kleen!

BMRS Wired has provided wiring materials this year!  
Thank you BMRS Wired!

Thank you Sean for hosting us at your raceday Party!  
And thank you for the large donation!

Our Vinyls have come in and they look amazing! Special thanks to Zach's family for donating them, free of charge!
